Fluent

Honors & Awards

Graduate Honours Interdisciplinary Seminars
Utrecht University ⊕
Oct 2023 - July 2024

Honors program focusing on interdisciplinary research and collaboration.

2nd Place – DAO Global Hackathon
Aragon ⊕
April 2023

Awarded 2nd place in the world's largest DAO-focused hackathon for co-developing a DAO starter template.

Summary

Master's student in Computer Science at Utrecht University, specializing in full-stack development and programming technology. Proficient in TypeScript, React, Java, C#, and Haskell, with hands-on experience delivering production-ready web applications, backend services, and automation tools.

Experience

QuickCode
Freelance Developer
2021 - Present

- Deliver custom software solutions for clients.
- Responsible for full project lifecycle: requirements gathering, architecture, implementation, testing, and deployment.
- Technologies: TypeScript, Node.js, React, Next.js, Express, SQL.

Education

Utrecht University
MSc Computing Science
Magna Cum Laude (8.55/10)
2023 - Present
Master

- Specialization in Programming Technology.
- Relevant courses: Program Semantics & Verification (9.1), Language Based Security (9.57), Cloud & Edge Computing (9.1).
- Thesis: Symbolic execution for automated Java test generation.

Utrecht University
BSc Computer Science
Magna Cum Laude (8.96/10)
2020 - 2023
Bachelor

- Completed the selective honors program for high-achieving students.
- Relevant courses: Web Technology (9.3), Databases (8.6), Data Structures (10), Modelling & System Development (9.4), Functional Programming (10), Security (9.7), Concurrency (9.2), Languages & Compilers (9.8), Software Testing & Verification (9.4), Graphics (9.5).

Minkema College
E&M with Mathematics B and Informatics
2014 - 2020
Secondary Education

Projects

Alpha Warden ⊕
Discord bot and dashboard
July 2022 - Present

Actively develop and maintain Alpha Warden, a Discord moderation bot trusted by 300+ servers. Built with TypeScript, Node.js, and Next.js.

Publications

Upgradeable diamond smart contracts in decentralized autonomous organizations
Frontiers in Blockchain
